

About Us

We are a family owned and operated business based in South East Queensland. Our service area reaches clients all over Queensland and Northern NSW. We have been actively involved in all facets of the electrical contracting industry, specializing in Commercial and Industrial installations.

With Lead electrician experience for some 27 years, our business and service lines have been consistently expanding to provide customer focussed solutions for over 15 years. We are committed to our clients by providing the very best quality service in a consistent and professional manner.

We take pride in training our staff to systems and a culture that provides exemplary results with maximum levels of safety during project management.

Because of this, our clients consistently come back to us to team together on numerous projects.

We obtain regular customer feedback from clients regarding Davitt Pty effectiveness to fulfill the terms of contracts. Using these results to develop much methods and processes.

We would like the opportunity to quote on upcoming projects, and are confident that you will find our job proposals to be competitive, and our workmanship to be excellent. We hope through our vast experience within the Electrical industries, we may be a valuable service to your company now and in the future.

MANAGEMENT COMMITMENT...

The key focus of our Company is meeting and exceeding the expectations of our clients. To achieve this we provide stable and challenging employment opportunities for our staff, by establishing communication with our supplies and sub-contractors to ensure our clients receive the best possible services.
